MY MOST MEMORABLE FLIGHT

My flight to New York was delayed because one of the passengers had forgotten their passport. While the airline staff were trying to sort things out, we all waited on board. I had a long chat with a businessman sitting next to me, and he later offered me a summer job in his company!

C – Sophie

On my way to Australia, I sat next to a young couple with a baby. The child cried almost the whole way, but the crew were so helpful that everyone around kept calm. The mother even fell asleep for a while, and I played with the baby until he stopped crying.
